Sir,

Sany 6-25-28

With reference to G.O.No.L.1961-6-San.10-24-42, dated 11th September 1925, sanctioning the opening of a dispensary, among other places, at Narve, Hassan District, I have the honor to forward herewith a copy of D.O. letter No.148, dated 6th January 1926, received from the President, District Board, Hassan, stating that the Board has resolved to recommend the opening of the dispensary at Kenchammanahosakote, where buildings are also reported to be available, instead of at Narve where suitable buildings are not available. Max

Kenchammanahosakote also happens to be a more important village than Narve, and as suitable buildings are available in the former, the opening of the dispensary there will be in accordance with the views of Government expressed in your letter No.L.4739 San.6-25-21, dated 29th December 1925, viz., that "if buildings selected places be not available, another place where building readily available for opening a dispensary may be selected and reported." *I have also inspected this place*

I am therefore issuing instructions to the District Medical Officer, Hassan, to transfer the consignment of equipment patched from the Stores on 26th December 1925 for the Narve Dispensary to Kenchammanahosakote and to arrange for opening the institution at the latter place ~~xxxx~~ by one of the Sub Assistant Surgeons already made available at the District Hospital. I am also

posting a Compounder and a midwife to the institution.

I request the favor of very early sanction to the institution being opened at Kenchammanahosakote instead of Narve.

I have the honor to be,

Sir,

Your most obedient servant.

D.O. letter No.148. dated 6th January 1926, from the President, District Board, Hassan District, to the Senior Surgeon.

"The District Board has resolved that the Mainad Improvement Dispensary may be located at Kenchammanahosakote instead of at Narve, as you know that private buildings are available there to open the institution. I request you to kindly take immediate action to open the institution at Kenchammana-Hosakote even before the 15th instant

In continuation of my letter G.C. 106-67,
dated 7th January 1926, I have the honor to forward
herewith, in original, a petition from the residents
of Kenchammana Hosakote, Hassan District, pressing for
the opening of a dispensary there and to state that I
myself visited the place recently on my way to Yeslur-
pet Dispensary and found the people very anxious to have
a dispensary opened there and were ready to offer the
necessary buildings for temporary location of the in-
stitution and for quarters to the staff, till buildings
of the type design are constructed later on. I request
the favor of very early orders. I have the honor to be

in Mysore, Bangalore.

We the undersigned natives of Kenchemmana-Hosakote beg to bring the following few lines to your kind consideration and hope that they will meet with success.

Kenceemmana Hosakote is situated in the middle of the jungle. This place is surrounded by rivers on all sides. There is enough of Population. Owing to its bad situation the healthy condition of this place is very bad i.e. malaria prevails every where. More over any dispensary is not just by, and there are much inconveniences to go to the distant places in order to call for the doctor owing to the presence of the rivers on all sides. Many a time we requested you to kindly sanction a Hospital for this place, but no light is thrown over this question so far. We are ready to construct any kind of building required for the Hospital, and for the present we vacate any building to keep the Hospital staff at Kenceemmana Hosakote. So we request you to be so good enough as to sanction one Hospital for the place and try to send the staff at an early date and oblige.

For which act of kindness we shall be always thankful to you.

Sir,

Yours obediently,
